Price: Show quality starts at \$1200 – Pet quality starts at \$600

SHOW QUALITY – At the time of purchase the puppy meets the requirements to be shown in the conformation (breed) ring. There are no guarantees that the puppy will obtain an AKC championship. This is one of the risks involved when buying a young puppy as a show prospect.

PET QUALITY – This puppy usually is a color mis mark. The papillon standard states how a dog should be marked. Coloration has nothing to do with personality it is purely cosmetic. If the pup does have a disqualification other than color i.e. an off bite, size, etc. this will be made known to the purchaser.
